

Questions to ask your eye doctor

To make the most of your eye appointment, print this list of questions and bring it to your next doctor's appointment.

1. What type of AMD do I have?
2. Is my Age-related Macular Degeneration (AMD) progressing?
3. Are there any specific symptoms I should note?
4. Are there lifestyle changes I should consider to reduce my risk?
5. Are both my eyes affected?
6. What medical treatments are available for me?
7. Is it safe for me to take beta-carotene?
8. Which **PreserVision**[®] formula is right for me?
9. How important is it to use the Amsler Grid regularly?
10. How often should I come back for a follow-up appointment?
