

Questions to ask your eye doctor

To make the most of your eye appointment, take this list of questions with you to your next doctor's appointment.

1. What stage of AMD do I have?
2. Is my Age-related Macular Degeneration (AMD) progressing?
3. Are there any specific symptoms I should note?
4. Are there lifestyle changes I should consider to reduce my risk?
5. Are both my eyes affected?
6. What medical treatments are available for me?
7. How important is it to use the Amsler Grid regularly?
8. How often should I come back for a follow-up appointment?
